

University of Pittsburgh
School of Law

SecureExam Student Waiver Form

SecureExam Student enables students to take an exam in a secure environment, locking out access to all other files, programs and the Internet. This software is provided for the sole purpose of taking computer based exams at the School of Law. Any other use is strictly prohibited.

The SecureExam Student software may be downloaded from the School of Law Extranet (<https://extranet.law.pitt.edu>) one month before the start of the exam period. The School of Law Information Technology Staff will provide an installation session to go over the installation procedure.

The following system requirements/conditions apply:

PC Version

- 384 MB of RAM
- 100 MB free hard drive space
- Internet access (for downloading software and exams, and uploading completed exam files)
- Microsoft Windows Operating Systems XP or Vista (Software Secure does not support Non-North American versions)
- Microsoft .NET 2.0 Framework
- Microsoft Internet Explorer 6.0 or 7.0

Mac Version

- Mac OS 10.4 or higher
- 40 MB or more free Hard Drive space.
- Internet access (for downloading software and exams, and uploading completed exam files).

THE UNIVERSITY (INCLUDING THE SCHOOL OF LAW) DOES NOT MAKE ANY GUARANTEES OR WARRANTIES OF ANYKIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES AS TO ANY SERVICES PROVIDED BY THE UNIVERSITY IN CONNECTION WITH THE INSTALLATION/USE OF THE SOFTWARE OR RESULTS OBTAINED FROM USING THE SOFTWARE. ANY WARRANTIES OF ANY KIND, WHETHER EXPRESS OR IMPLIED, ARE HEREBY DISCLAIMED.

BY SIGNING BELOW, I RELEASE THE UNIVERSITY OF PITTSBURGH AND ITS TRUSTEES, OFFICERS, EMPLOYEES AND AGENTS FROM LIABILITY OR ANY CLAIMS RESULTING FROM SOFTWARE OR HARDWARE DAMAGE OR DATA LOSS OCCURRING IN CONNECTION WITH OR SUBSEQUENT TO THIS INSTALLATION OF THE SOFTWARE. AS THE LAPTOP'S OWNER, IT IS MY RESPONSIBILITY TO BACK UP SOFTWARE, OPERATING SYSTEMS AND DATA BEFORE INSTALLATION OR REMOVAL OF THE SOFTWARE.
