A Brief History of Juneteenth

The 1865 date is largely symbolic. The Emancipation Proclamation, issued by President Abraham Lincoln, had legally freed slaves in Texas on January 1, 1863, almost 2½ years earlier. Even after the general order, some slave masters withheld the information from their enslaved people, holding them enslaved through one more harvest season. Texans celebrated Juneteenth beginning in 1866 with community-centric events, such as parades, cookouts, prayer gatherings, historical and cultural readings, and musical performances. Over time, communities have developed their own traditions. Some communities purchased land for Juneteenth celebrations, such as Emancipation Park in Houston, Texas. As families emigrated from Texas to other parts of the United States, they carried Juneteenth celebrations with them.

On January 1, 1980, Juneteenth officially became a Texas state holiday. Al Edwards, a freshman state representative, put forward the bill, H.B. 1016, making Texas the first state to grant this emancipation celebration. Since then, 49 other states and the District of Columbia have also commemorated or recognized the day. Juneteenth officially became the 11th federal holiday on June 17, 2021, and Juneteenth National Independence Day is the first holiday to be added to the list of federal holidays since the recognition of Rev. Dr. Martin Luther King, Jr’s birthday in 1983.

What is Juneteenth?

How is Juneteenth celebrated?

Juneteenth celebrations in the United States typically include prayer and religious services, speeches, educational events, family gatherings and picnics, and festivals with food, music, and dancing. The day is also celebrated outside the United States and is used to recognize the end of slavery as well as to celebrate African American culture and achievements.

How did the American civil rights movement affect Juneteenth celebrations?

Juneteenth celebrations in the United States declined in the 1960s, overshadowed by the civil rights movement. However, the holiday began to regain its importance in 1968 when the Poor People’s Campaign, originally led by Martin Luther King, Jr., held a Juneteenth Solidarity Day. Interest in Juneteenth continued to increase in the following decades, and the first state-sponsored Juneteenth celebration was held in Texas in 1980.
