Preserving Democracy

Protecting Voter Choice in the 2024 Presidential Election

KEEP OUR REPUBLIC

Founded in 2020, Keep Our Republic is a non-partisan civic education organization dedicated to protecting a republic of laws and strengthening the checks and balances of our democratic electoral system. Its civic creed is: Let all eligible voters vote. Let the votes be counted. Let the vote count stand.

Given the events of January 6, 2021, the organization believes that all citizens, civic groups, media, business groups and elected officials at every level must join together and be alert to the challenges ahead. Passivity is not an option.
