Classes at Pitt Law will continue in a hybrid fashion this Spring semester, meaning many students will be attending school remotely and may not be in the Pittsburgh area while doing so. We are therefore planning for virtual OCI in the Spring semester of 2021. We will facilitate the interviews using Zoom, and can accommodate multiple simultaneous interview schedules, if requested. If your organization would prefer to use its own platform for OCI, please let us know and we can coordinate that with you as well.

OCI will be managed through Pitt Law's online portal: PittLawWorks. Find your intern, summer clerk, or experienced practitioner by advertising at **PittLawWorks**. You may register on PittLawWorks for OCI. Alternatively, you may register by completing this brief survey:
