The HHS Office of Inspector General modernized its regulatory guidance for healthcare compliance in November of 2023. OIG issued a 91-page comprehensive guidance document that reflects the culmination of fifteen years of learnings and recognizes the role of compliance as a strategic function for healthcare leaders.

This hour-long webinar will:

- Offer key takeaways
- Help you to analyze the impact of the new guidance on your organization
- Provide practical guidelines to align compliance strategies

The Compliance Certification Board (CCB)® has approved this event for up to 1.2 Live CEUs, based on a 50-minute hour, each. Continuing Education Units are awarded based on individual attendance records. Granting of prior approval in no way constitutes endorsement by CCB of this event content or of the event sponsor.
